Meenakshi Sundararajan Engineering College : Department of Computer Science and Engineering

NM1009 - Generative AI for Engineering

EXPLORATING FILM NAMES USING GENERATIVE AI

DEEPESH. S (311521104009)

NM Id: au311521104009

INTERNAL GUIDE:

Dr.S.AARTHI

Head of The Department, CSE

FEATURES:

1. **Abstract Algorithms:** Exploring abstract algorithmic concepts can lead to intriguing titles.
2. **Contrasting Constructs:** Generating titles that juxtapose contrasting AI concepts can be captivating.
3. **Sensory Simulation:** Titles that evoke sensory experiences related to AI processes.
4. **Cultural Computing**: Drawing from cultural references related to AI can create engaging titles.
